2. The RFP states that 30 employees will utilize the EMR application. Based on the provider definition below, please tell eCW how many of those employees will use the application:

Provider definition:

Licenses are tied to the number of providers, not number of CPU's or users. "Providers" mean those Physicians, Nurse Practitioners, Physician Assistants, Audiologists, Optometrists, Physical Therapists, Music Therapists, Speech Therapists, Massage Therapists, Chiropractors, Anesthesiologists, Psychologists, Dentists, Hygienists, Licensed Social Workers, Midwife, Nutritionists, Dietitians, Counselors, Mental Health Practitioners, Neurophysiologists, and Podiatrists employed by or under contract with Customer to provide services within the medical field.

No license or restriction is applied to office managers, secretaries, or other administrative staff, or Nurses (other than Nurse Practitioners), and (hereinafter referred to as "Customer Personnel").

For any category of Customer staff not identified above, eClinicalWorks and the Customer shall agree in writing as to who is a Provider. 15

3. Number of locations? - **1 (one)**
4. Please confirm that the below list are the only required Interfaces? If yes, please list them?

Purchaser's jail management system is Archonix and the inmate's banking system is Lockdown. The Lab company is Labcorp and the Pharmacy vendor is Westwood Pharmacy. – **Yes these are the required interfaces.**

5. Do you require data migration services? - **Yes for current inmate population**
6. Do you require single or multiple databases? - **Multiple databases**
7. Are you interested in a SaaS/Cloud solution or a locally hosted solution? – **Previously stated in addendum #1 RRJ Authority considered SaaS/Cloud solution. However, after consideration it has been determined that a locally hosted solution will be in the best interest of RRJ Authority.**
8. Do you require an EMR solution only or do you also require a Practice Management solution? – **EMR Solution**

All other specifications, terms and conditions remain unchanged.
