It is the awarded Offeror's responsibility to notify the jurisdictions and political subdivisions of the availability of the contract(s).

Each locality has the option of executing a separate contract with the awardee. Contracts entered into with them may contain general terms and conditions unique to those jurisdictions and political subdivisions covering minority participation, non-discrimination, etc. If, when preparing such a contract, the general terms and conditions of a jurisdiction are unacceptable to the awardee, the awardee may withdraw its extension of the award to that locality. The Rappahannock Regional Jail shall **not** be held liable for any costs or damages incurred by another jurisdiction as result of any award extended to that jurisdiction or political subdivision by the awardee.

39. AUTHORIZATION TO TRANSACT BUSINESS IN VIRGINIA:

If the Contractor is organized as a stock or non stock corporation, limited liability company, business trust, or limited partnership or is registered as a registered limited liability partnership, the Contractor agrees that during the performance of the contract it is authorized to transact business in the Commonwealth as a domestic or foreign business entity if so required by Title 13.1 or Title 50 of the Code of Virginia or as otherwise required by law.

40. VIRGINIA FREEDOM OF INFORMATION ACT:

All proceedings, records, contracts and other public records relating to procurement transactions shall be open to the inspection of any citizen, or

any interested person, firm or corporation, in accordance with the Virginia Freedom of Information Act and the Virginia Public Procurement Act.

- a. Cost estimates relating to a proposed procurement transaction prepared by or for a public body shall not be open to public inspection.
- b. Any competitive sealed bidding bidder, upon request, shall be afforded the opportunity to inspect bid records within a reasonable time after the opening of bids but prior to award, except in the event that the Owner decides not to accept any of the bids and to reopen the contract. Otherwise, bid records shall be open to public inspection only after award of the contract. Any competitive negotiation offeror, upon request, shall be afforded the opportunity to inspect proposal records within a reasonable time after the evaluation and negotiations of proposals are completed but prior to award except in the event that the Owner decides not to accept any of the proposals and to reopen the contract. Otherwise, proposal records shall be open to the public inspection only after award of the contract except as provided in paragraph “c” below. Any inspection of procurement transaction records under this section shall be subject to reasonable restrictions to ensure the security and integrity of the records.
- c. Trade secrets or proprietary information submitted by a bidder, offeror or contractor in connection with a procurement transaction shall not be subject to public disclosure under the Virginia Freedom of Information Act; however, the bidder, offeror or contractor must invoke the protections of this section prior to or upon submission of the data or other materials, and must identify the data or other materials to be protected and state the reasons why protection is necessary.
- d. Nothing contained in this section shall be construed to require the Owner, when procuring by “competitive negotiation” (Request for Proposal), to furnish a statement of reasons why a particular proposal was not deemed to be the most advantageous to the Owner.

41. Payment Terms:

The Rappahannock Regional Jail generally pays within 45 days of receipt of invoice (net 45).

The contractor shall provide the following:

The contracting physician must provide evidence of coverage for Medical Professional Liability, in the statutory limits for medical malpractice, and will provide the Board with a copy of such policy. The contracting physician will be responsible for all taxes, including FICA, relative to their service. In the event the physician cannot obtain malpractice insurance for correctional medicine, the Jail will attempt to secure such insurance through the Virginia Division of Risk Management

NOTE 1: Contractual Liability covers the following indemnity agreement:

“The Contractor shall indemnify and hold harmless the owner against and from all liability, claims, damages and costs, including attorney’s fees of every kind and nature and attributable to bodily injury, sickness, disease or death or to damage or destruction of property resulting from or in any manner arising out of or in connection with the project and the performance of the work under the contract.”

NOTE 2: To satisfy the requirements above, the classification code numbers appearing on the Comprehensive General Liability coverage parts shall not exclude the symbols “X-C-U”.

NOTE 3: The intent of this insurance specification is to provide the coverage required and the limits expected for each type of coverage. With regard to the Automobile Liability and Comprehensive General Liability, the total amount of coverage can be accomplished through any combination of primary and excess umbrella insurance and self-insured reserves. The Contractor shall submit evidence of self-insurance to the Owner for its review and approval in addition to the required certificate of insurance. Such evidence shall consist of, at minimum, current financial statements, which clearly indicate the reserves, committed to the Contractor’s self-insurance program. The Contractor shall for the duration of the project maintain the self-insurance reserves at a level not less than that which is stated by the Contractor at the time that the Contract is executed. However, the total insurance protection provided for Comprehensive General Liability protection or for Comprehensive Automobile Liability protection, either individually or in combination with the Excess Liability Umbrella, must total \$2,000,000 per occurrence. This insurance shall apply as primary insurance with respect to any other insurance or self-insurance programs afforded the Rappahannock Regional Jail. This policy shall be endorsed to be primary with respect to the additional insured.
